REPORT OF THE STATE REVENUE AGENT.

STATE REVENUE DEPARTMENT. }
TRENTON, N. J., December 31, 1869. }

To His Excellency, Hon. Theodore F. Randolph, Governor of New Jersey:

SIR:—I have the honor to report that since my appointment by your Excellency, in April last, as "State Revenue Agent," under the act entitled "An Act to increase the Revenue of the State," I have been engaged in compiling an index to the list of Corporations under General Laws, that have filed their charters in the office of the Secretary of State; and have also compiled an index to the Special Acts of the Legislature creating corporate bodies, that may now have, or ever had any revenue.

Accompanying this report will be found the index, containing a list of all the Corporations under General Laws, from 1846 to 1869, inclusive; also a list of Corporations created by the Legislature under Special Laws, from 1693 to 1869, inclusive. These Corporations have been classified under different heads, and number as follows:

Corporations under General Laws,	215
Banks,	122
Bridge Companies,	49
Building Associations, (see Improvement Companies.)	
Canal Companies,	24
Docks and Wharves,	15
Express Companies,	12
Ferry Companies, (see Steamboats and Steamships.)	
Gas Companies,	66
Hall Companies,	29
Hotel Companies,	44
Ice Companies,	10
Improvement Companies,	114
Insurance Companies,	145
Land Companies, (see Improvement Companies.)	

Loan Companies, (see Banks.)	
Manufacturing Companies,	525
Market Companies,	9
Mining Companies, (see Manufacturing Companies.)	
Miscellaneous Associations,	70
Navigation Companies,	19
Oil Companies, (see Miscellaneous Associations.)	
Plank Road Companies, (see Turnpike Companies.)	
Railroad Companies,	251
Savings Institutions, (see Banks.)	
Steamboat and Steamship Companies,	112
Telegraph Companies,	12
Transportation Companies, (see Miscellaneous Associations.)	
Trust Companies, (see Banks.)	
Turnpike Road Companies,	234
Ware House Companies, (see Miscellaneous Associations.)	
Water Works and Water Companies,	61
Total,	2138

Although the index is not claimed to be infallible, yet it is believed that it contains a complete list of all Corporations chartered under *general* laws, that have filed their charters in the office of the Secretary of State, and also a complete list of Corporations created under *special* laws of this State, from 1693 to 1869, inclusive; excepting Agricultural, Benevolent, Cemetery, City, Educational, Fire, Meadow, Medical, Military, Religious and Town Associations, which, under the advice of the Attorney General, have been omitted.

This work has required considerable time and labor, for the reasons that often the difficulty would arise to distinguish the *private* from the *public* act, the lines of demarcation being sometimes difficult to define; again, the embarrassment of finding an appropriate head under which to place it, requiring an increased number of titles; and, lastly, the large amount of special legislation upon matters of little or no importance, at this day, increasing in size the volumes of the Laws from three hundred and ten pages in the year 1845, to fifteen hundred and ninety-nine pages in the year 1869.

It is believed that this work will prove valuable to the officers of the State, and the public generally; although the acts omitted are greater in number than those contained therein, yet most of these have been examined, in order to make a fair index. I need not refer to the labor this examination has required.

Respectfully submitted,

JOHN HOOD,
State Revenue Agent.
